The OCPE Program is a partnership between the New Braunfels Independent School District and approved off-campus agencies. Students may not be enrolled in OCPE and any other general Physical Education class or Physical Education substitution at the same time. Students may participate in either of the following categories:

- **Category I - Olympic/National Level** - Participation and/or competition includes a minimum of 15 hours per week of highly intensive, professional, supervised training. The training facility, instructors, and the activities involved in the program must be certified by the superintendent to be of exceptional quality. **Students qualifying and participating at this level may be dismissed from school one hour per day.** Students dismissed may not miss any class other than physical education. **PLEASE NOTE: Students who leave for instruction during the school day cannot participate in UIL activities in the same sport.**
- **Category II - Not Olympic Level but certified to be of High Quality** - Participation includes a minimum of 5 hours per week at a private or commercially-sponsored agency that provides physical activities which include those certified by the superintendent to be of high quality and well supervised by appropriately trained instructors. **Students certified to participate at this level may not be dismissed from any part of the regular school day.**
