

New Braunfels Independent School District

Mission and Goals • 2015-2016

Mission Statement

New Braunfels Independent School District provides an environment where all students are engaged and empowered to become self-reliant learners in a constantly changing world.

Goals

Goal 1: Academic Performance & Progress

The Board of Trustees and New Braunfels Independent School District staff will create an educational environment that emphasizes relevant, project-based learning to develop each student's future-ready skills and knowledge in a way that optimizes individual growth and success.

Goal 2: Communication & Safety

The Board of Trustees and New Braunfels Independent School District staff will communicate transparently, foster a safe and secure educational environment and reinforce community satisfaction and pride in all NBISD schools and endeavors.

Goal 3: Policies & Employee Excellence

In order to maintain a high quality workforce and foster high morale, the Board of Trustees and New Braunfels Independent School District staff will implement an aligned, consistent set of policies, procedures, practices and training to support and recognize employees for excellence.

Goal 4: Resource Allocation

The Board of Trustees and New Braunfels Independent School District staff will budget funds and manage resources conservatively while maintaining a positive relationship between resource allocation and student achievement.

Goal 5: Technology

The Board of Trustees and New Braunfels Independent School District staff will implement a comprehensive approach that redefines the role of technology in the classroom and the district operations as a whole.

Goal 6: Facilities

In order to provide for the future, the Board of Trustees and New Braunfels Independent School District staff will proactively plan for facilities that provide an environment conducive to optimal learning and growth.

Career & Technical Education Mission

The New Braunfels Independent School District Career & Technical Education program prepares students to excel in the planning and development of future career opportunities. New Braunfels Independent School District will develop quality instructional collaborations with business and industry partners to prepare students for post-secondary education and a globally competitive workforce.
