

Household Hazardous Waste Collection

What is Household Hazardous Waste?

If the chemical product is...

Toxic: herbicides, pesticides, fungicides

Reactive: pool chlorine, drain cleaner, hydrogen peroxide

Ignitable: gasoline, lighter fluid, paint thinner, stains

Corrosive: muriatic acid, laundry bleach, oven cleaner

...it's Household Hazardous Waste!

Accepted	Prohibited
Auto batteries	Ammunition or explosives
Antifreeze	Flares or fireworks
Brake fluid	Compressed gas cylinders
Herbicides, pesticides, poisons	Medical waste
Gasoline	Pharmaceuticals
Cleaners	Radioactive materials
Motor oil	Waste generated by businesses
Oil filters	Tires
Paint, paint thinners, stains	Trash
Pool chemicals	Electronics

This is not an all inclusive list. If you have questions about whether or not your product can be accepted, please call 830.221.4040 or 830.221.1108

Rules for Collection Day:

1. Do not mix products.
2. Only transport products in your car's trunk or truck bed:
No trailer loads will be accepted in order to reduce wait times.
3. Bring a picture ID for proof of residency.
4. Bring items in original, properly sealed, and labeled containers, when possible. Containers of liquid waste must be 5 gallons or less.
5. **Be prepared to wait:** bring water and a snack to prevent dehydration; don't bring anyone who may not be able to wait in the car for an extended period of time.
6. The last car in line at noon will be the last assisted.

SATURDAY, FEB 10
8AM—12PM
