Title I Parent Involvement Compact

2026-2027

Our Purpose

The Title I Program is designed to meet the needs of all children attending Klein Road Elementary. Title I Programs are also designed to improve the educational opportunities of underachieving children and help them:

- Succeed in regular programs
- Attain grade level proficiency, and
- Improve their achievement in the basic and more advanced skills.

Title I funds help support our school district to provide staff and educational services.

The Law

The most recent law that affects Title I is the Every Student Succeeds Act. The law requires:

- That school districts have a written policy regarding parent and family engagement, which can be accessed on the school website
- That parents be involved in the design, operation, and evaluation of Title I;
- That parents be consulted about home/school activities and be trained to help their children;
- That whenever possible, activities should be presented in the language spoken by the majority of the Title I parents.
