Our Mission

Every student. Every day.

Vision Statement

Engage. Empower. Learn.

Seele Elementary and NBISD Core Beliefs show that we are a school that is rooted in history, building a legacy, and growing toward the future. Our School-Parent Compact is an agreement between the school, parents and students that unites us. The School-Parent Compact was developed jointly with school staff, students, and parents and will be discussed at least once a year during parent teacher conferences. The School-Parent compact will be reviewed and evaluated annually for continuous improvement using parent and staff feedback. Our goal is to support all students to become the best version of themselves.
